

## **Family Medicine Provider – Santa Cruz, CA**

*We are looking for a Family Medicine provider for a full-time position in Santa Cruz. UCSF Benioff Children's Physicians (UBCP) is a multispecialty physician foundation, and an associated clinically integrated network. Our primary goal is to foster physician collaboration to deliver the most advanced maternal and pediatric care throughout Northern California and beyond. We have Pediatric and Adolescent, Ophthalmology, OB-GYN and Maternal Fetal Medicine clinics located throughout the San Francisco Bay Area.*

### Job Responsibilities:

The full scope of primary care services for children, adolescents, and adults.

Direct patient care including evaluation, diagnosis, treatment, and referral or consultation as appropriate.

Timely and appropriate documentation of services provided to patients to ensure appropriate recognition of your clinical efforts.

### Job Requirements:

Must be certified (or board eligible) by the American Board of Family Medicine or the American Osteopathic Board of Family Medicine, a valid California medical license as determined by the Medical Board of California (MD's) and Osteopathic Medical Board (DO's), Federal Drug Enforcement Administration (DEA) license with a California address.

UBCP is an equal opportunity employer. We strongly encourage applications from women, people of color, and bilingual and bicultural individuals and members of the lesbian, gay, bisexual, and transgender communities. Applicants shall not be discriminated against because of race, religion, sex, national origin, ethnicity, age, disability, political affiliation, sexual orientation, gender identity, color, marital status, or medical condition.

We offer excellent benefits including medical, dental, vision (including dependent and domestic partner coverage), generous PTO benefits including 14 paid holidays, Flexible Spending Accounts, 401k retirement savings plan.
