## UBCP MyChart

### Parent/Legal Guardian Proxy – ADOLESCENT (Age 12-17 years)

Dear Parent/Legal Guardian,

Thank you for signing the *UBCP MyChart Proxy Authorization* form. This is the first step in allowing you to view some of your adolescent's health information online through UBCP *MyChart* patient portal.

UBCP *MyChart* patient portal is offered to you free of charge as an online resource for routine health care needs. For patients age 12-17, UBCP requires signed approval from the parent or guardian in order for the parent/guardian to view some of the child's health information on MyChart. Proxies would have access to adolescent test results, allergies, and immunizations; they can message their adolescent's providers and request appointments on their adolescent's behalf. **Parents/guardians will not have access to information related to sensitive services**, such as reproductive health (i.e. pregnancy testing, contraception, testing and treatment for sexually transmitted diseases), and certain mental health and substance use screening and treatments. Because certain sections may contain sensitive information, parent proxy access will be limited as follows:

Content	Adolescent (12-17 yrs)	Parent Proxy (≥ 12 yrs)	Parent Proxy (0-11 yrs)
Labs	YES	YES	YES
Immunizations	YES	YES	YES
Allergies	YES	YES	YES
Growth Chart	YES	YES	YES
Messaging to and from Provider*	YES	YES	YES
Appointment Request	YES	YES	YES
Appointment View	YES	NO	YES
Problem List/Summary	YES	NO	YES
Medications/Refill Request	YES	NO	YES

\* Parent and teen can send private messages to the provider.

**Once your child turns 18**, you will be removed from their account and will not see any of their health care information. If you have any questions, please call the patient's practice or UCSF MyChart Customer Service at 415-514-6000 (M-F 8 am -5 pm) or email us at [UCSFMyChart@ucsfmedctr.org](mailto:UCSFMyChart@ucsfmedctr.org).
