

UCSF Benioff Children's Physicians - Medical Assistant/PSR

Pediatric After-Hours Clinic – San Francisco

Description

UCSF Benioff Children's Physicians (UBCP) is a multispecialty physician foundation, and an associated clinically integrated network [CIN]. Our primary goal is to foster physician collaboration to deliver the most advanced pediatric care throughout Northern California and beyond. We have Pediatric, Ophthalmology, Adult Medicine, and Women's health clinics located throughout the San Francisco Bay area.

Pediatric After Hours is a very dynamic department that operates every day of the year, including Holidays. The team works collaboratively with our physician partners in San Francisco and the East Bay to provide this valuable pediatric after-hours care to the community. This recruitment is for a part-time position that will work side by side with pediatricians to provide outstanding clinical support as a Medical Assistant and will also work performing a variety of receptionist and front desk patient-related duties, including but not limited to, answering phones, scheduling appointments, paging doctors when necessary, checking in patients, receiving co-pays and faxing. If you're looking for an alternative work schedule, this position is ideal for a professional who wants to be part of a very dynamic and supportive working environment. Please note this position will require working evenings, weekends and holidays. We are open 7 days a week, including all holidays.

SF Hours of Operation:

Weekends & Holidays: 9am-5pm

Monday-Friday: 1pm-9pm & 5pm-9pm

*Weekends & holidays have three different shifts available in both of our clinics. Scheduling is done one month in advance.

POSITION SUMMARY:

The Patient Service Representative/Medical Assistant (PSR/MA) is the initial point of contact for our patients and the community-based physicians. The incumbent must possess exceptional customer service skills and have a desire to work in the public eye. Communication skills are key, you will be expected to communicate clearly with parents, physicians and your team, with an emphasis on keeping the patient at the center of the conversation. Likewise, the Medical Assistant provides clinical support to the Pediatrician and will work within the scope set forth by the department.
