

OBGYN Scribe

San Mateo, California, United States

Description

UCSF Benioff Children's Physicians (UBCP) is a multispecialty physician foundation, and an associated clinically integrated network. Our primary goal is to foster physician collaboration to deliver the most advanced maternal and pediatric care throughout Northern California and beyond. We have Pediatric, Ophthalmology, OB-GYN and Maternal Fetal Medicine clinics located throughout the San Francisco Bay Area.

POSITION SUMMARY:

This position performs an extensive number of data collection functions as delegated by the physician to allow for proper, professional diagnosis of patients' conditions.

Responsibilities:

- Assist physician throughout clinic, retrieving patient data, transcribe the impression and plan, enter test interpretations, enter new data, listen to and summarize the conversations between patient and physician, e-prescribe RX's, order appropriate testing for patient, print out any patient education per the doctor requests, mark encounters as instructed, perform patient education and assist with some procedures.
- Transcribes physician's examination data into patient's electronic medical record.
- Maintains and sterilizes medical equipment, instruments, and facilities
- Maintain a smooth flow of patients to the physician, altering the test sequence as required.
- Finish closing/signing doctor out of patient exams as needed per doctor's instructions.
- Help in obtaining phone messages from all extensions during downtime.
- Load patients that have been worked up and ready or are waiting to see the doctor.
- Seek advice from more senior staff as necessary, never perform beyond capabilities.
- Escort patients from the clinical area to the check-out station
- Interact with all patients using the level of respect and professionalism required by UBCP.
- Follows applicable policies and procedures and takes precautions to establish a safe work environment
- Other duties as assigned by supervisor or physician.

Requirements

Essential Functions:

- **Productivity/Efficiency:**
 - Works collaboratively with colleagues to ensure work products meet and exceed quality expectations.
- **Critical and Analytical Thinking:**
 - Possess the ability to analyze situations and strategize solutions independently and within a team framework.

C. Technical Skills:

- Strong computer skills especially in Epic Clinical Applications.
- Epic EMR experience preferred.
- Excellent verbal and written communication skills

D. Communication (Oral and Written):

E. Professional Accountability:

- Maintains positive working relationships and engages in teamwork and collaboration among all team members and partner organizations.
- Monitors and addresses potential risk management and quality issues in a timely manner.
- Addresses quality and quantity requirements in an effective and timely manner.
- Maintains standards of service, productivity, safety, and security.
- Participates in initiatives to achieve performance on quality metrics set forth by the organization.
- Performs other duties as assigned.

- Interpersonal communication skills, written and oral with all levels
- Strong team-building
- PC Skills including MS Outlook, Word

POSITION REQUIREMENTS:

Ability:

- Demonstrated background in written/verbal communication
- Multi-task and function within established time frames to meet deadlines.
- Ability to develop and foster relationships
- Must be able to work autonomously with minimal supervision and have a strong work ethic and commitment to quality work.
- Ability to work with and maintain confidential information.

Education:

- High School diploma or equivalent
- Certified Medical Assistant
- Graduate of an approved MA program, which includes injectable training
- Current certification in CPR/BLS from approved agency

ADDITIONAL INFORMATION

- **Physical Requirements**
- **Working Relationships/Contacts:**
- Must be able to lift 20 pounds.
- Must be able to walk, stand, or sit for long periods of time.
- Initiates and maintains cohesive and effective working relationships with UBCP colleagues and others, internally and externally, with whom the incumbent must interact to perform their job responsibilities.
